PROFESSIONAL SUMMARY

Motivated and detail-oriented Computer Science student with knowledge of HTML, CSS, JavaScript, and React. Seeking an opportunity to enhance my technical skills, gain practical experience, and contribute to innovative projects while continuously learning and growing in web development with a strong interest in frontend technologies.

TECHNICAL SKILLS

- **Languages** : HTML5 , CSS3 , JavaScript (ES6+)
 - **Frontend** : React.js , Bootstrap , Responsive Web Design
 - **Web Technologies** : Rest API Integration , Fetch API
 - **Tools** : Git , GitHub , VS Code
-

PROJECTS

Italian Garden Restaurant Website | React.js, JavaScript, CSS, Vite

<https://italian-garden.vercel.app/>

- Developed a responsive restaurant web application using React.js with reusable components including Navbar, Hero Section, Menu, Cart, and Footer.
- Implemented food search and menu filtering functionality for improved user experience.
- Built cart management features including add-to-cart, remove-from-cart, and dynamic total price calculation.
- Added conditional login/logout rendering and state-based UI updates.
- Optimized the application for desktop, tablet, and mobile devices and deployed it on Vercel.

Currency Converter Web Application | HTML, CSS, JavaScript, Rest API

<https://currency-calculator-cc.netlify.app/>

- Developed a real-time currency converter application using HTML, CSS, JavaScript, and REST API integration.
- Implemented asynchronous API requests using Fetch API and async/await to display live exchange rates.
- Added support for multiple currencies with country flag selection and dynamic conversion updates.
- Designed a responsive user interface and ensured compatibility across different devices.
- Deployed the application using GitHub Pages.

TD Fitness - Yoga & Wellness Website | HTML, CSS, JavaScript

<https://fitnessandwellness-td.netlify.app/>

- Developed a responsive wellness website featuring yoga programs and fitness-related resources.
- Implemented interactive features including a BMI calculator, dark mode toggle , and testimonial slider.
- Built a mobile friendly interface using Flexbox and Media Queries .
- Enhanced user experience through smooth navigation and responsive layouts.
- Deployed the project using Netlify.

EDUCATION

B.Tech – Computer Science Engineering , GH Raisonni University Amravati , Nagpur. CGPA - 8.35/10	2023-2027
HSC - ST. Paul Junior College, Nagpur. Percentage - 60.00%	2023
SSC - ST. Joseph Convent School. Percentage - 82.40%	2021

COURSES / CERTIFICATIONS

Meta Front-End Developer Professional Certificate (Coursera)

Professional Certificate from Meta focused on front-end development concept and skills.

CSS Bootcamp (CodeKaro)

Comprehensive course of CSS fundamentals and advanced concepts.
